

Bellmont Securities – “Allowing you to trade CFDs, Shares and Futures in exactly the format you’ve just been taught...”

Bellmont Securities is a 100% Australian CFD, Shares, and Futures specialist offering Direct Market Access CFDs and shares through Macquarie and providing access to all futures markets.

Bellmont accepts and caters specifically for the management of stop entries, trailing stops, milestones and final profit targets on Gann style orders. We are the only firm that offers our clients free optional order placement software – Belmont Order Builder V3 (shown below). These orders are then managed by our dedicated dealers and automated systems, removing the day to day hassle of monitoring the trade. All of this at the lowest order management commission rates in the market.
